Shining Life Children's Trust was established in 1998, so 2008 is our 10th Anniversary Year!

In that time we have **raised £200,000 and helped over 1,000 children**

and their families build better lives for themselves.

To mark our 10th Anniversary we are aiming to raise £30,000

to fund an innovative new project on a tea estate in the Hill Country near Kandy. Please read more about this overleaf.

Please help us reach our ambitious target by supporting some of our events, or arranging your own event, in 2008.

Visit www.shininglife.org/events for more information.

Shining Life Children's Trust 10 Year Anniversary Project

Rikillagaskada is a small remote town in the scenic Hill Country of central Sri Lanka. Our new project will be on the **Rahatungoda Tea Estate, home to 1,000 people including 300 children.** Every family works on the tea estate, and their small income is supplemented by market gardening. This community is so poor that they have no electricity, running water or sanitation facilities - they have to use the local river for all their needs.

We will work with this impoverished community to provide sustainable development work and ensure a brighter future for the children. This will include:

- basic health and nutrition training
- investment in preschools
- income generating training
- small loan credit schemes

We have met with the community and are inspired by their vitality and enthusiasm.

In our 10th Anniversary year, help Shining Life Children's Trust make this project a life-changing and sustainable one for the whole community.
